

# Cake Price List

Our cakes are all baked fresh, from scratch, special order only. Scratch cakes have more of a pound cake consistency. We request that you order your cakes as much in advance as possible, but generally we can accommodate orders 48 hours in advance.

We use American butter cream or whipped Italian butter cream for most of our frostings. The cakes should be served at room temperature; we refrigerate them for transportation only.

All Cakes are decorated with simple elegant borders. If you would like specific frosting colors, frosting flowers or a message written on the cake please inform our baker!

Prices are for round cakes, we also carry square and heart shaped, please inquire.
